

### Description

Packstat **PS201** is a specialist performance, polyethylene coated waterproof cloth tape, coated with a pressure sensitive adhesive and specifically designed to meet the stringent technical requirements of the defence industry specification DEF STAN 81-145-3 type 2a. It is available in black and yellow.

### Product Benefits

- Excellent waterproofing characteristics.
- Good corrosion resistance.
- Good abrasion resistance.
- Can be written on
- Easy tear
- Flexible
- Low sulphur and halogen content.
- Excellent low temperature performance.
- Very strong and robust.
- Meets the stringent technical requirements of DEF STAN 81-145-3.
- Service temperature: -30°C to +70°C

### Applications

- Designed as a heavy duty and export waterproof cloth tape for sealing, bundling, masking and protecting.
- Masking during painting and shot blasting.
- Surface protection of edges.
- Military applications including sealing ammunition cases and temporary repairs.
- Heavy duty splicing, joining and sealing applications.

Technical Properties	Unit	Normal Value
Adhesion to Backing	N/cm	3
Adhesion to Steel	N/cm	5
Tensile Strength	N/cm	63
Thickness	mm	0.28
Core	mm	76
